

# Idle, Schmidle

Turn the key - be idle free

**Idling your engine gets you nowhere, wastes fuel  
and causes air pollution.**

**If you have to wait longer than 2 minutes,  
it's better to go inside instead.**

*It all adds up to cleaner air*

Every  
3,000 miles  
or 1.3 million breaths.

## Change the oil & maintain your vehicle

**Oil changes improve your vehicle's performance, gas mileage, reduce traffic congestion due to preventable breakdowns and can reduce emissions by half.**

*It all adds up to cleaner air*

U.S. Department of Transportation  
Federal Highway Administration

# There's more riding on your tires than you thought.

**Properly inflated tires can save money, gas, and the air.**

**Keeping your vehicle's tires inflated to recommended pressure improves gas mileage, the operating efficiency of your engine and reduces traffic congestion due to flats.**

*It all adds up to cleaner air*

# The Miami Valley's Air Quality.

**Air pollution levels are monitored year-round.  
Residents are alerted via "Air Pollution Advisories"  
when air pollution levels are on the rise.**

**Register to receive "Air Pollution Advisories"  
notices at [www.miamivalleyair.org](http://www.miamivalleyair.org)**

*It all adds up to cleaner air*

# Leave a little room for the air.

## When you gas up, don't top off the tank.

**Topping off releases harmful gas vapors into the air and cancels the benefits of anti-pollution devices on the pump.**

*It all adds up to cleaner air*

Federal Highway Administration

# Here's another good reason not to mow the lawn

## At least until later in the day

**Mowing after 6pm, when it's cooler and the sun isn't as strong, is better for the air. Smog is less likely to form from the lawn mower emissions.**

*It all adds up to cleaner air*

Drop off the kids.  
Run by the bank.  
Pick up dinner.  
Save the air.

## Run errands all at once

Combine your errands and save time, reduce traffic congestion and reduce pollution.

Your mom always told  
you to take good care  
of your stuff.

**Right as usual!**

**Regular maintenance keeps  
your car running smoothly  
and helps reduce air pollution.**
