

# COASTAL REGION MPO PERFORMANCE BASED PLANNING

SR500: AMPO Conversation with Beth Osborne, USDOT  
18 March 2013

# CORE MPO Background

- 2010 Savannah UA population: 260,000
- Current MPA Chatham County (expanding into two adjacent counties)
- Designated a TMA in 2002
- First CMS in 2004, updated in 2009
- Never a non-conforming or maintenance area for air quality.

# CORE MPO Background

- Fourth largest container port in U.S.
- Largest military training and power projection platform east of the Mississippi: Fort Stewart/Hunter Army Airfield
- Largest national landmark historic district in U.S.
- Three interstate highways
- Transit modes:
  - Fixed route bus
  - Downtown and visitor shuttles
  - Streetcar
  - Water ferry

# 2035 Framework Mobility Plan LRTP

- Developed under SAFETEA-LU
- Goal and objectives
  - Address regional needs and vision in context with planning factors
  - Partially address MAP-21 national performance goals
- Performance measures
  - Address LRTP goals
  - Used to prioritize new competing projects
  - Pipeline project priority is based on production status and funding availability

# Current Measurements For:

- Congestion
- Safety
- Livability/Multi-modal
- Resource impacts
  - Environmental
  - Historic
  - Community
- Economic vitality
- Sustainability
  - Air quality
  - Sustainability
  - Land use

# Current Efforts Supporting Performance Based Planning

- CMP
- Corridor studies
- Sector studies
- MPO thoroughfare plan
- MPO freight plan
- MPO TMC plan
- LRTP project prioritization process
- LRTP scenario planning
- Climate change/adaptation assessment
- TDP

# Next Steps: Total Mobility Plan LRTP

- Incorporates performance measures from Framework Plan revisited and informed by DOT/MAP-21 performance measures
- Incorporates results of ongoing performance planning efforts
- Sets performance targets in coordination with state DOT targets.
- Identifies investment priorities based on candidate projects' anticipated effects toward achieving performance targets.
- Explores potential for additional data sources from state DOT for measuring performance
- Establishes process for measuring and reporting progress toward goals.

## Questions for Savannah?
